General Rules& Terms of Travel Policy:

1. The travel desk will recommend most effective mode of travel to employees as per their requirement.
2. Employees are required to abide to the accommodation limits mentioned in the above table.
3. Employees need to ensure that the travel requests are sent at least 5 days prior to the Travel date for timely execution.
4. As far as possible, early morning flights only to be preferred by employees so that flight ticket can be booked in lower fares.
5. In case, the booking of tickets or hotels is done by the employees directly from their end, then in such cases, employees can apply for the reimbursement of such expenses along with the approval from their manager.
6. In view of the point no.5, employees are required to adhere to the accommodation limits as per their band & cadre, and, no deviations and, or exceptions will be allowed by the finance team against the excess expenditure in case of hotel bookings.
7. Further, SBU heads approval is needed in case, where flight tickets are above 10k price. This applies to the both, i.e., tickets booked by the travel desk or in the case of self-booking of flights.
8. If the hotel stay is for less than two days, no laundry expense will be allowed.
9. As far as possible, double occupancy accommodation will only be arranged for the employees travelling to same locations.
10. In Case of New joiner travel and accommodation request, only 07 days stay will be allowed as per Band Limit with prior approval of respective Manager.
11. In case of cancellation of tickets/bookings are required due to unforeseen circumstances, the employees are required to send the cancellation request with reasons to the Travel desk along with a copy to their reporting manager. If the reporting manager is not copied in email, cancellation would not be entertained, in any case.
12. Concerned SBU Heads / Program Managers / Project Managers are required to identify & raise the guesthouse requirement at the start of the new project execution that may help to resolve the accommodation requirements at the particular site location from the beginning.
13. For any cab requests, employees are requested to utilize Ola / Uber or any equivalent commute options while visiting site locations and no cabs will be provided by the travel desk. Such expenses can be claimed through conveyance expenses.
