Meal Reimbursement Policy Version 3.0

Background & Objective: We are introducing Meal Reimbursement Policy to simplify the conveyance expense & claim process that will help us to further streamline the reimbursement process.

Scope: This policy is applicable to both local conveyance expenses & advance expense settlements done by employees.

Definition: Meal Reimbursement means a fixed reimbursement granted to an employee on daily basis during their travel to project site location to cover their meal expenses. The amount presented in the policy is based on the travel & conveyance data as well as Food prices projected in COL Index (Cost of Living Index) of different cities of India. Also note that Meal Reimbursement is applicable across all Bands & Levels within the Organization.

Meal Reimbursement Eligibility Criteria:

1. All employees, including contractual employees and interns are entitled to meal reimbursement for their official travel to project locations.
2. Meal reimbursement does not apply in the case where employee's **base location & project location are same** including any travel made to twin city locations. For example, an employee who is based out of Ahmedabad location is non-eligible for meal reimbursement for any travel made within base location or adjacent locations such as Gandhinagar.
3. ***There are certain exceptions marked against the point no.2 mentioned above. These exceptions are as below:***
 - i) Employees who work late hours at HO and hence incur any expenses on meals, then this type of expense will be reimbursed as per the conveyance policy, and per person limits will be Rs. 300/-INR per person per day. This also applies to employees who work from HO during weekends or Holidays.
 - ii) In view of the above, employees are required to provide approval from the manager for late hours work along with proper details of project and reason to stay back in the office

at late hours. In case of weekend or holiday work, copy of prior communication sent to the Admin Team for office access permission will also be required along with reason to visit office on weekends / holidays and approval from the concerned manager to process such expenses in the conveyance.

- iii) Tea, coffee, and water expenses incurred at twin city locations will be reimbursed as per actual in the conveyance. However, proper supporting documents must be provided by the employees to process such expenses along with approval from the concerned manager.
- iv) Any food expenses incurred at the site location due to client visit can also be claimed thru conveyance expenses, however, client name list, purpose of visit, no. of pax, and approval from the concerned manager is required to process such expenses.
4. Employees with the Hotel Stay booked under 'MAP' plan, i.e., one meal included in hotel booking, then in such a case, they are eligible for only 50% of the meal reimbursement amount.
5. When employees are accompanied by client or guest, then in such cases employees can produce actual expenses incurred for the settlement process and they cannot claim meal reimbursement for the particular day or date. Also, bills are mandatory for such expenses along with full details of client or guest to process. If an employee has availed only one meal along with the client or guest, then in such as case he / she becomes eligible of 50% of the meal reimbursement amount.
6. At Locations, where employees are staying in the company guesthouse with caretaker facility, then in such locations meal reimbursement limit is 200/-INR per day irrespective of tier of the city or location.

MR Claim Process:

1. Meal Reimbursement Limits are 700/-INR & 500/-INR per person per day respectively for tier-I& tier-II cities.
2. Meal Reimbursement Excel format is given in Annexure of the policy.
3. In view of the above point, employees are required to fill-in the excel form, take an approval from the Project Manager and then submit the same via Google Form to complete the submission process. Google Form link is provided in Annexure-2 along with the MR format.
4. Tier List of cities is mentioned in Annexure of the policy.
5. Employees are required to claim meal reimbursement separate from their conveyance expenses. ***(Exceptions to the rule mentioned above in eligibility criteria)***
6. Employees cannot utilize advance taken from the finance department to settle their Meal Reimbursement.

7. Meal Reimbursement submission should be done by 20th EOD every month along with necessary approvals. Employees are requested to adhere to the said timeline in the case. Any submissions post 20th of every month will be considered and included in the subsequent month cycles only.
8. In view of the above point, please note that MR submission window, including Google Form will be unavailable from 21st to 25th of every month, and the same will be open again from 26th date of every month. And hence, submissions will be considered and processed by the Admin Team accordingly.
9. Queries, if any, raised against the MR submissions are required to be settled by the employees within two days from the date of the query raised.
10. Meal Reimbursement pay-out shall take place along with salary disbursement every month.
11. Meal Reimbursement removes all sort of food or meal expenses incurred at the site location including purchase of grocery, payment to cook, etc.
12. Employees are required to attach their travel tickets& accommodation itineraries along with the MR Reimbursement form. This is mandatory in all cases, where MR is applicable.
