Step 4: Add the timings along with the reason and a message:

The screenshot displays the Amnex attendance system interface. On the left, a sidebar shows the user profile of Khusbu Vinodbhai Brahmbhatt, Senior Executive - Human Resource, and navigation links for Profile, Flows, Compensation, Benefits, Leave, and Attendance. The main content area is titled 'Attendance for 2025-Feb' and includes a search bar, summary statistics (Total, Leave Days, Unpaid Leave Days, Present Days), and a calendar view for February 2025. A right-hand panel is open, showing options to 'Select Reason', 'Shift Date From', 'Shift Date To', 'Location', 'Overnight Clockout?', 'Clockin Time', 'Clockout Time', 'Break Duration', and a 'Message' field. A red arrow points to the 'Select Reason' dropdown menu. The bottom of the screen shows a Windows taskbar with various application icons and the system clock indicating 5:33 PM on 2/14/2025.
