Helpdesk Guide - Mobile Application

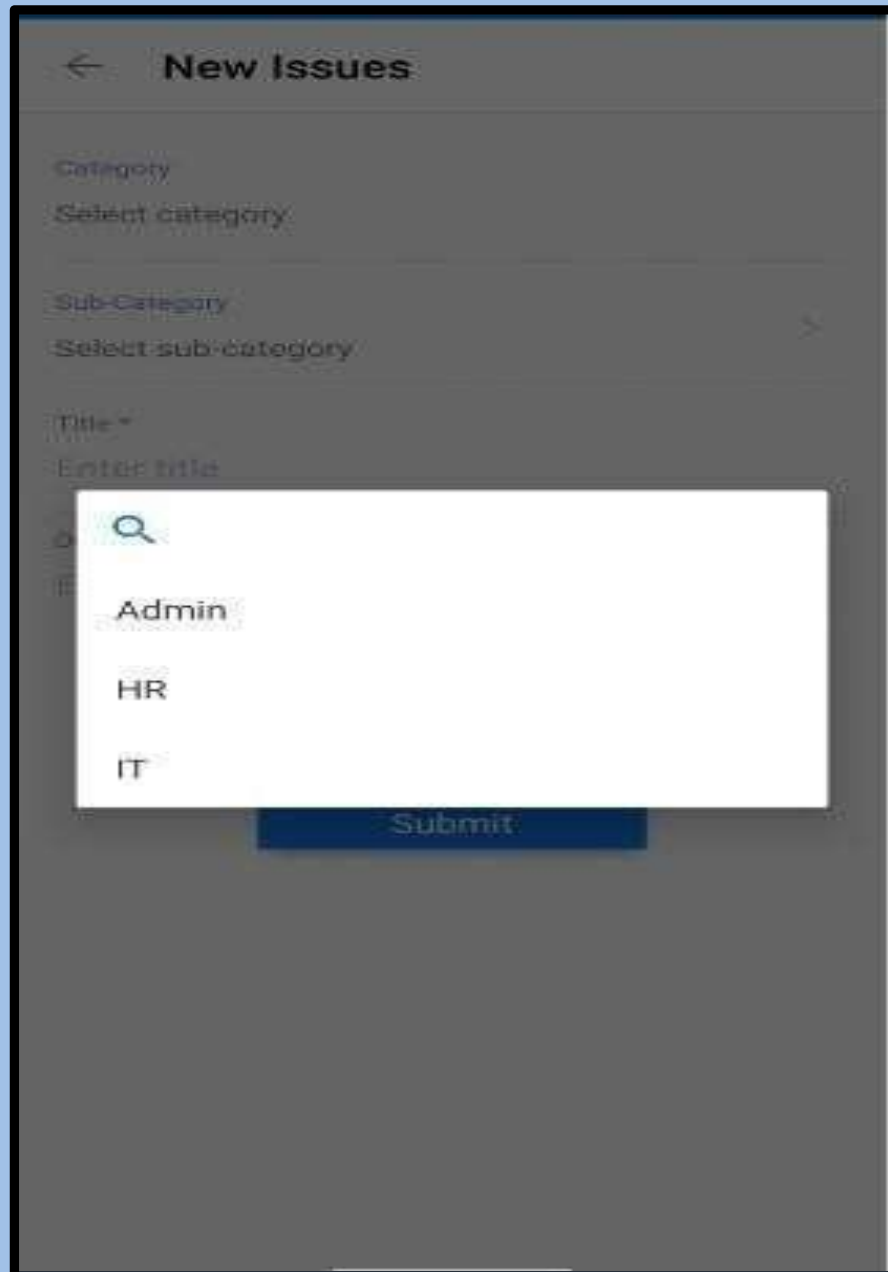

Step 1- Once you login to your Darwin Account, Click on **Helpdesk**

Step 2: Click on **Create issue** on the Right bottom

Step 3: Select the “**Category**” as given below(HR/IT/Admin).

The screenshot displays a mobile application interface for creating a new issue. The form is titled "New Issues" and includes fields for "Category", "Sub-Category", and "Title". The "Category" field is currently selected, and a dropdown menu is open, showing three options: "Admin", "HR", and "IT". The "Sub-Category" field is also visible, with a placeholder text "Select sub-category". The "Title" field has a placeholder text "Enter title". A blue "Submit" button is located at the bottom of the form.

Step 4: Select the **Sub Category** as given in the list below.

Step 5: Click on **“Title”** to Raise the issue in Ticketing Model. Click on **“Description”** to Describe the issue in detail.

Add **“Attachment”** if any and finally Click on **“Submit”** to Submit the issue.

The screenshot shows a mobile application interface for creating a new issue. The form is titled 'New Issues' with a back arrow on the left. It contains several input fields: 'Category' with the value 'HR', 'Sub-Category' with the value 'Leave', 'Title *' with the value 'Leave Balance On Birthday', and 'Description *' with the value 'pecial leave for 13 Sep 2022 can not be applied'. Below these fields are two buttons: 'Upload Attachment' with a cloud icon and a red arrow pointing to it, and a blue 'Submit' button which is circled in red.
