

EQUAL OPPORTUNITY POLICY FOR PERSON WITH DISABILITIES

Human Resource Department

AMNEX INFOTECHNOLOGIES PVT. LTD.

Equal Opportunity Policy for Person with Disabilities (PwDs)

1. Objective

This policy outlines Amnex's commitment to providing equal employment opportunities to Persons with disabilities (PwDs), ensuring a diverse, inclusive, and accessible workplace. As a technology-driven organization, we recognize the value of diverse perspectives in driving Innovation.

2. Scope

This policy applies to:

- All employees (permanent, contractual, and temporary).
- Interns, apprentices, and trainees.
- Job applicants.
- Third-party vendors and contractors operating in company premises.

3. Definition of Disability

For the purpose of this policy, a person with a disability is someone with long-term physical, mental, intellectual, or sensory impairment that, in interaction with various barriers, may hinder their full and effective participation in work on an equal basis with others.

4. Policy Principles

In the AMNEX, we will:

- Ensure non-discrimination in recruitment, compensation, training, promotion, and separation.
 - Provide reasonable accommodation to PwDs to enable effective performance of job functions.
- Ensure accessibility in digital and physical infrastructure.
- Respect the privacy and dignity of employees with disabilities.

5. Employment Practices

A. Recruitment

- Job requirement will explicitly state that Amnex is an equal opportunity employer and also encourages applications from PwDs.
- No candidate shall be discriminated against on the grounds of disability.
- Interview venues (physical or virtual) will be accessible.
- Assistance such as sign language interpretation, screen readers, or extended interview time will be provided when requested.

B. On boarding & Integration

- Newly joined PwDs will be provided personalized onboarding support, including orientation on assistive technologies and policies.

C. Reasonable Accommodation

- Accessible hardware/software (e.g., screen readers, voice-to-text software).
- Modified workstations.
- Flexible working hours or remote work.
- Ergonomic furniture or assistive devices.

D. Career Progression

PwDs will have equal access to promotions, internal job postings, and leadership opportunities, based on merit.

6. Accessibility in IT Environment

- All internal systems (HRMS, intranet, portals) and communication platforms will comply with WCAG (Web Content Accessibility Guidelines) wherever feasible.
- IT teams will be trained to ensure the development of inclusive digital products.
- Feedback mechanisms will be established to continuously improve the accessibility of tools and platforms.

7. Awareness & Sensitization

- Periodic workshops and training programs will be conducted on disability inclusion, unconscious bias and creating accessible digital environments.
