

Employment of Relatives or Personal Relationships

Human Resource Department

AMNEX INFOTECHNOLOGIES PVT. LTD.

The Company may employ Relatives, or persons who share a Personal Relationship, subject to the safeguards set out in this Policy. Relative and Personal Relationships carry the meanings given in the Employee Relationships Policy (11.12)

Scope:

This Policy applies to candidates for employment and to all employees of the Company.

Disclosure:

- Candidates shall disclose, at the time of application, whether they have any Relative, or any person with whom they share a Personal Relationship, working in the Company.
- Employees shall inform HR if such a person applies for a position, or if their personal circumstances change in a way that would bring them within this Policy.

Hiring:

- The Company may employ Relatives or persons in a Personal Relationship only where no direct or indirect reporting or supervisory relationship is created between them, in line with the standard set out in the Employee Relationships Policy (11.12). Where a proposed appointment would create such a relationship, it may proceed only if the reporting line can be structured so that neither party reports to, supervises, or evaluates the other; the HR Head and the relevant Department Head must confirm and approve the revised reporting structure in writing before the appointment is finalised. If no such structure is possible, the appointment will not be made.
- A hiring manager shall not hire a Relative, or a person with whom they share a Personal Relationship, into their own team or reporting line; such candidates may be referred only to roles outside the manager's hiring or supervisory authority.
- Recruitment shall remain fair and merit-based; candidates are assessed on merit regardless of any relationship to existing employees.

Board and Committee Restrictions

- The Company will not employ an individual where a Relative serves on the Company's Board of Directors, or on any Committee or Council with authority to review or decide personnel actions, remuneration, or salary adjustments that could affect that individual's employment.

Precedence and Conduct:

- This Policy is to be read with the Employee Relationships Policy (11.12) and the Conflict of Interest Policy (11.18). Employees shall maintain professionalism, shall not allow personal relationships to influence their work or judgment, and shall observe the Company's confidentiality requirements, particularly in matters involving a Relative or a Personal Relationship.

Non-Compliance:

Any breach of this Policy by an employee shall be addressed in accordance with the Company's Disciplinary Policy.
