Organization Learning & Development Policy

Purpose

Annex Infotechnologies Pvt. Ltd. is committed to fostering a culture of continuous learning and professional development. Our goal is to enhance employee performance and readiness for future challenges by facilitating targeted learning experiences that align with the needs of both the individual and the organization.

This policy outlines our approach to ensure that all employees have the opportunities for developing their skills & competencies and for their overall career development; thereby contributing effectively to the organization's mission and goals. It serves as a guide for all employees and management alike, ensuring that learning opportunities are provided, encouraged, and supported throughout the organization.

Scope

This policy applies to all employees of Annex Infotechnologies Pvt. Ltd. across all levels and departments. It encompasses a wide range of learning and development activities, including both in-house and external programs.

Goals & Objectives

1. To support the continuous professional growth of our employees, aligning their development with the strategic needs of the business.
2. To equip employees with the skills and knowledge required to excel in their current roles and to prepare for future opportunities.
3. To encourage the sharing of knowledge and expertise within the organization, enhancing our collective capability.

Training Needs Identification

- Training needs will be assessed on a continuous & ongoing basis by the Human Resources (HR) department in collaboration with all key stakeholders.
- A training calendar will be prepared and published at the beginning of each quarter, detailing the upcoming training programs.

Executing Training Programs

- Employees are encouraged to participate in various training programs throughout their tenure with Annex. These programs may be delivered in-house or through external facilitators.
- Programs will cover both soft skills and technical skills, tailored to meet specific gaps identified through our training needs assessment.

Learning Records and Knowledge Evaluations

- Attendance and training records will be meticulously maintained by the HR department.
- Post-training evaluations will be conducted using detailed questionnaires to assess the effectiveness of the training. Re-training will be considered for those scoring below 70% in these evaluations.

Training Program Evaluation & Employee Feedback

Effectiveness of learning and development initiatives will be considered, both at the individual and organizational levels. Feedback mechanisms play a pivotal role in gathering input from employees on the usefulness and impact of various learning initiatives undertaken.

Continuous Improvement

Amnex emphasizes the importance of continuously reviewing and improving the Learning & Development policy to ensure its effectiveness and relevance in meeting the evolving needs of the organization and its employees.

Integrated Performance Management

All learning and development achievements of employees are integral to their performance management. Learning and development progress will be reviewed as part of the regular performance evaluation process. This ensures a holistic view of an employee's contributions and growth, facilitating more informed decisions regarding career advancement and recognition.

General guidelines:

- All Mandatory trainings required by compliance will be rolled out to all employees at all locations. This includes POSH, Code of Conduct, Anti-bribery, Anti-Phishing, IT Security.
- All eligible employees are covered by this policy without discriminating against rank or protected characteristics.
- HR & Reporting Managers will regularly evaluate the success of training efforts. These records will be maintained for future reference and better improvement opportunities.
- All employee development efforts should respect cost and time limitations, as well as individual and business needs.
- Employees should try to make the most out of their trainings by studying and finding ways to apply knowledge to their work.

Certification & Course Sponsorship / Reimbursement:

- Amnex may sponsor or reimburse employees for external professional certifications, courses, or training programs that are relevant to their current or future roles within the organization.
- All such sponsorships or reimbursements will be subject to prior approval from the Reporting Manager, HR, and Management as per defined budgetary provisions.
- Employees availing sponsorship/reimbursement are required to sign an undertaking prior to enrolment.
- Employees must remain in service with Amnex for a minimum of six (6) months from the date of course completion or payment (whichever is later).
- If an employee resigns or separates from the Company within this 6-month period, the full course fee sponsored or reimbursed by the Company will be recovered from the employee's final settlement.
- Employees who fail to complete the course or withdraw without valid reasons (accepted by the Company) will not be eligible for reimbursement, and any paid amounts will be recovered.

The Learning and Development Policy at Amnex Infotechnologies Pvt. Ltd. is a testament to our commitment to the professional growth and development of our employees. By investing in our people, we not only enhance their individual capabilities but also ensure the long-term success and competitiveness of our organization.
